Westminster Week, which shows changes to the Diary
and extra events, is displayed on House notice boards

Most of the things that concern you at School are likely to be sorted out informally before they become major problems. We hope that you feel able to share any worries about your work with your teachers and parents. However, there may be other problems occasionally which could require slightly different treatment. For example:

You may feel that you are being unfairly treated by a member of staff or a pupil

You may feel that you are the victim of verbal and/or physical abuse.

You may feel that you are being badly taught in a particular subject.

Someone may have taken something of yours and not returned it.

It is important that you feel able to share concerns such as these with us so that where necessary we can work together to sort out misunderstanding or to take remedial action.

INFORMAL HELP

If you have a concern, you should first talk informally to:

Your Housemaster or
Your House Tutor or
One of your subject teachers or
Any teacher you trust or
A School Matron

If for any reason you do not feel able to share your concern with a member of staff, then you may consider discussing it with one of the Peer Supporters whose names can be found in the School List and on House boards. Some matters of concern to you may cause the person with whom you have talked anxiety that you may be in a vulnerable situation or that you are being hurt in some way. If so, these concerns will need to be shared with another professional to ensure your safety and well-being. Please be assured that this will be managed sensitively, keeping you informed of all actions or plans.

You may of course share your anxiety in confidence with the School Counsellor, Mr Philip Hewitt, who comes to School each week and can also be contacted Monday to Friday on 020 8402 2984 (which is also a fax and answering machine). You could also talk in confidence to

*The Chaplain, The Reverend Gavin Williams, on 020 7963 1128, or
The School Doctor, Dr Joanna Hayes or
Kidscape- telephone number 0207 730 3300 or
Childline - telephone number 0800 1111 (calls are free)*

FORMAL HELP

If after trying to resolve your concern in this way you are still feeling unhappy, or if for any reason you do not feel that this route is appropriate, then you should ask formally for help. It is often useful to you and to us for you to clarify your thoughts by putting them in writing. This must be signed; as it is not possible to respond to anonymous information. We therefore suggest that you do this and give it to either:

*Your Housemaster or
The Under Master,*

who will then discuss the matter with you. If that action fails to sort things out, then you may pass your written summary to the Head Master. Alternatively, you may prefer to contact the Head Master immediately on 020 7963 1042, rather than getting in touch with others first. A meeting will be arranged to discuss your concern and try to work out a solution. You will probably find it helpful to come to that meeting with someone who understands how you feel, such as your parents, a friend or a trusted member of staff. You can also call Westminster Children's Services Department on 020 7641 7668.

We assure you that once your concern is shared with the School every effort will be made to work with you to sort it out swiftly and sensitively.

If you believe that, for whatever reason, your concerns have not been dealt with satisfactorily, you should ask your parents to follow the complaints procedure.

**Contingency Plan in Case of a
Terrorist or other Major Incident**

A Short Brief for Teachers and Pupils

1 In the event of a major incident a Crisis Management Group will be formed immediately (see policy document for further details). This team will endeavour to coordinate all actions. In usual circumstances this will meet in the Head Master's Drawing Room. In case of evacuation other sites and telephone numbers will be issued.

2 At all times teachers should stay with pupils. Pupils should not be dispersed without a direction to do so from the CMG. Nor should any other response be put into action without consultation with the CMG.

3 Following an incident which directly affects the members of the School, the usual emergency evacuation procedure should be put into effect and pupils gathered at muster points, and teachers stay with them. A line of communication should be set up with the CMG (if telephones are in operation: HM 020 7963 1042, UM 07810 626457, SM 07988 991474). Then further response will be as directed.

4 If there is a terrorist threat, rather than action, stay put, set up a line of communication with the CMG. Evacuate and muster only if directed.

5 If a group is at Station or other venue on a School visit and there is a terrorist threat, stay put at the venue, and try to establish a line of communication with the CMG, Head Master or the Under Master. Do not disperse until directed by the CMG.

6 If the whole School needs to be evacuated the CMG will organise lines of communication to direct the operation. At all times teachers must stay with their classes. However Housemasters may transfer responsibility to another member of staff if they are needed to check the evacuation of their Houses.

7 Parallel response applies to the non-academic staff. If evacuation is necessary that would be directed by Bursar, who would be in communication with the Head Master.

8 The first response in all circumstances is to stay put, stay with the teacher at all times, evacuate only if directed by the teacher.

The surgery (up Grant's - follow the signs) is open from 8.30am till 4.45pm.

An especially good time to call in is before school starts, or after 4.15pm, as these are quieter times and the School Nursing Sister will be able to give you her full attention.

You should also go to see Sister for any of the following reasons:

If you are feeling unwell, or if you want medication, to lie down or to go home

If you need the School Doctor (The School Nursing Sister may be able to deal with the problem herself or speed up the process.)

If you need a late LO (Accidents and Emergencies)

If you are worried, lonely or in need of advice, however small the problem may seem.

At other times during the day, please see the Duty Matron.

PRAYERS (Said)

Omnipotens sempiterne Deus, dirige actus nostros in beneplacito tuo, ut in nomine dilecti Filii tui, ejusque gratia adjuti, bonis operibus abundemus. Amen.

Almighty, everlasting God, direct our actions in thy good pleasure, that in the name of thy beloved Son, and aided by his grace, we may abound in good works. Amen.

Actiones nostras, quaesumus, Domine, aspirando praeveni, et adjuvando prosequere, ut cuncta nostra operatio a te semper incipiat, et per te progrediatur ac feliciter finiatur, per Christum Dominum nostrum. Amen.

Prevent us, O Lord, in all our doings with thy most gracious favour, and further us with thy continual help; that in all our works begun, continued, and ended in thee, we may glorify thy holy name, and finally by thy mercy obtain everlasting life; through Jesus Christ our Lord. Amen.

Gratia Domini nostri Jesu Christi, et caritas Dei patris, et communicatio Spiritus Sancti sit semper cum omnibus nobis.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Spirit, be with us all evermore. Amen.

R. AMEN.

PRAYERS (Said)

Domine Deus, resurrectio et vita credentium, qui semper es laudandus tam in viventibus quam in defunctis, agimus tibi gratias pro fundatrice nostra Elizabetha Prima Regina, ceterisque benefactoribus nostris, quorum beneficiis hic ad pietatem et studia litterarum alimur, rogantes ut nos his donis recte ad tuam gloriam utentes una cum fidelibus omnibus ad resurrectionis gloriam immortalem perveniamus, per Christum Dominum nostrum. Amen.

O Lord God, the resurrection and the life of believers, who art ever to be praised in this life and that which is to come: We yield thee hearty thanks for our Foundress Queen Elizabeth the First, and all our other benefactors, by whose gift it cometh that in this place we are encouraged to holiness of life and the pursuit of learning. And we ask thy grace that we may use these gifts for thy glory, and together with all the faithful may attain to the everlasting glory of the resurrection: through Jesus Christ our Lord. Amen.

Gratia Domini nostri Jesu Christi, et caritas Dei patris, et communicatio Spiritus Sancti, sit semper cum omnibus nobis.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Spirit, be with us all evermore. Amen.

R. AMEN.

The School Prayer

We yield thee hearty thanks, most merciful Father, for our foundress Queen Elizabeth the First, and all our other benefactors, whose bounty thou hast given us to enjoy. Grant us, we beseech thee, grace to use thy manifold blessings in our life here, that becoming profitable members of this church and nation, we may glorify thy holy name, and finally by thy mercy obtain everlasting life, through our Lord and Saviour Jesus Christ. Amen.

The General Regulations outlined here aim to summarise the more detailed notices and policies that are circulated to all parents and are posted both on House notice boards and on the School intranet.

Code of Behaviour:

Pupils should remember above all that the School community is in a very public setting with many close neighbours, and they must behave accordingly. They should at all times respect the well-being and safety of both people and property, show tolerance and courtesy towards others, and respect the right to privacy of each individual.

When the Regulations apply:

to boarders, throughout each week of term from the time boarders leave home at the beginning of the week until they have returned home at the end of the week;

to day pupils, daily from the time they leave home in the morning until they have returned home in the evening.

The General Regulations are not restricted solely to the School precincts, but apply wherever a pupil may be at the above times. During these times, pupils are regarded as being "at School". They also apply should pupils come to School or be engaged on School activities at the weekends. Some of the Regulations are specific to activities within the School; however, most apply during all School activities, including all trips and expeditions. Pupils must abide by the laws of the land at all times.

1. **ALCOHOL:** The Policy on Alcohol should be referred to for full details (see intranet). It is against School rules for any pupil to purchase, to be in possession of, or to consume alcohol, or to go to a pub. It is also an offence for any pupil to associate with anyone so doing. No pupil may have or consume alcohol in School or on a School trip (unless under the supervision of a member of staff who has obtained the prior approval of the Under Master).

2. **AT HOME:** The Housemaster must always be advised in good time when parents are away from home. Boarders are not allowed home at weekends when their parents are away, but they may, with the permission of their Housemaster on the advice of parents, stay with hosts other than their own parents. Day pupils may not live at home when their parents are away unless there is other approved adult supervision; their Housemaster must be contacted if there is such a need.

3. **BICYCLES, MOTOR CARS, MOTOR CYCLES:** No pupil of the School may drive to or from School or any School activity unless accompanied by his or her parent. This regulation must not be evaded by parking at some distance from School or any other destination. Pupils may not drive mopeds or motorbikes to School. Housemasters may give permission to a day boy or girl to travel to and from School and/or Station by bicycle; they should be referred to for further details and for a parental consent form, which includes the undertaking that a cycling helmet will be worn.

4. **BOARDERS' STUDY-BEDROOMS:** Boys and girls are generally expected to congregate in public areas rather than study-bedrooms. Girls should not spend time in boys' study-bedrooms without the consent of the Housemaster. Purcell's and the girls' corridors and rooms up Busby's are out of bounds to boys at all times.

5. **BOUNDS:** The precincts include Dean's Yard, Little Dean's Yard, the Cloisters, and the routes to the other School departments lying outside Dean's Yard. Members of the Lower School (Fifth Form, Lower Shell, Upper Shell) may not leave the precincts during School hours except with the permission of their Housemaster. School hours include break and lunch as well as the teaching timetable. Members of the Upper School (Sixth Form and Remove) may go out of the School precincts during the lunch break, though they are required to attend lunch in School. The Remove only may go out at morning break. Day pupils may leave early if they have a PS during the last lesson and they have no further commitment after School. Permission for this must always be sought by the pupil from his/her Housemaster. During the School week, Boarders in the Lower School must not leave the Westminster / Victoria area without their Housemaster's permission (a separate notice specifies these wider bounds.) Fifth Form and Lower Shell Boarders must be back within the precincts by 18.00 in time for supper in College Hall. The same applies to Upper Shell Boarders in the Play Term and until Exeat in the Lent Term.

6. **CHEATING:** Any kind of cheating or plagiarism is not permitted.
7. **CLIMBING:** Climbing onto School buildings and adjacent buildings is dangerous and is not permitted.
8. **DRUGS AND ILLEGAL SUBSTANCES:** The Policy on Drugs and Illegal Substances should be referred to for full details (see intranet). The supply, possession and/or use of these substances are strictly prohibited. Any pupil found in breach of this regulation must expect to be excluded.
9. **ELECTRICAL EQUIPMENT:** Electrical appliances which are brought to the School must be safe and meet appropriate UK/EC standards. The School regularly carries out an external inspection of these appliances.
10. **EVENING HOURS:** After the end of afternoon school pupils may, within the parameters outlined separately under 'Bounds', be outside the School precincts. Lower School boarders (including the Upper Shell until the Lent term of that year) must be back in School for supper at 6.00 p.m. No boarder may go out of the precincts during Prep (7.15 - 9.00) except with the prior permission of their Housemaster. After 9.00 p.m., as a general rule only pupils in the Upper School may leave the precincts; Housemasters should always be informed, and during the Play term members of the 6th form must additionally carry a chit signed by their Housemaster. All Boarders must be back up House by 10.00 p.m. and Houses must be quiet after that time. If Boarders have reason to return to School after 10.00 p.m. they need to have written permission from their Housemasters so they can identify themselves to the Abbey Beadle on the gate.
11. **GAMBLING:** All forms of gambling (including playing cards with chips or internet gambling via the School intranet) are strictly forbidden.
12. **IDENTITY CARDS:** it is not permitted to procure or possess any kind of ID card (or other form of identification) which does not accurately state the bearer's age and/or other personal details.

13. **INFORMAL CLOTHES** may be worn by pupils at times when formal clothes are not required; but at no time should they be either untidy or ostentatious. A School jacket may not be worn with informal clothes; nor may School Dress be worn untidily/informally.
14. **MUSICAL INSTRUMENTS:** Musical instruments (other than authorized instrumental practice), hi-fi systems, radios and similar equipment may not be played during lessons or after 10.00 p.m. At no time may they be played so loudly as to inconvenience others.
15. **PERSONAL / SEXUAL RELATIONS:** Westminster is an inclusive School in which all pupils should be able to feel comfortable. To this end, pupils are asked to keep public displays of affection to a minimum. Sexual relations between pupils whilst at School are strictly forbidden and will be treated as a very serious disciplinary matter.
16. **PRIVATE STUDIES:** During private study periods (PSs) all members of the School (except for the Remove) must be up House, in the Library, in the computer rooms, or in the music practice rooms. Only members of the Remove have the privilege of being allowed to go out of the precincts during their PSs. NB: all pupils, including the Remove, must remain in School during the John Locke period (Wednesday period 4, 12.00-12.40.)
17. **SCHOOL DRESS** (as defined in separate notices) is worn in School, in Abbey, lunch and assemblies, for examinations, for visits of a formal nature such as away matches and public lectures, and for any other such occasions as the Head Master shall from time to time decide.
18. **SMOKING:** The Policy on Smoking should be referred to for full details (see intranet). Pupils may not bring cigarettes into the School, nor smoke on School premises. Outside the School, if a pupil is discovered smoking, or is associating with anyone who is smoking, and in so doing is clearly in school uniform or identified or likely to be identified by the public as belonging to Westminster School, then s/he must expect to be gated. Any pupil found smoking on School premises must expect to be temporarily excluded.

19. USE OF COMPUTERS AND OTHER ELECTRONIC, MOBILE OR DIGITAL DEVICES: The following are all strictly forbidden: accessing, or attempting to access, an account or files other than the user's own; sending anonymous e-mails, posting or viewing obscene or offensive photographs, videos or information on the Internet; use of the computer for purposes of plagiarism; any other online activity likely to bring the School into disrepute. Bullying online will be treated in the same way as bullying in the real world: for details, refer to the School's Policy on Bullying. Tampering with hardware is also strictly forbidden. Pupils may not bring into School laptops, mobile phones or any other electronic equipment or storage devices containing obscene or offensive material. For a more detailed statement the Policy on Acceptable Use for the Computer Network should be consulted. This Policy is introduced to new pupils each year by the Under Master, and must be read and accepted by each pupil when they first log onto the School Network.

20. YARD AND GREEN: Pupils in Yard are expected to be courteous and sensible at all times. The playing of ball games such as football, cricket and basketball in Yard (though only the latter is permitted during morning break) is a privilege which must not be abused. Ball games may be played on Green so long as the surface is not deemed unplayable, indicated by a red disc. Trainers, not school shoes or boots, must be worn. Pupils may sit on Green during the lunch break and after School, but not in PSs. Pupils are not to use Green as a short-cut at any time.
