IF YOU HAVE A CONCERN

Most of the things that concern you at School are likely to be sorted out informally before they become major problems. We hope that you feel able to share any worries about your work with your teachers and parents. However, there may be other problems occasionally which could require slightly different treatment. For example:

You may feel that you are being unfairly treated by a member of staff or a pupil

You may feel that you are the victim of verbal and/or physical abuse.

You may feel that you are being badly taught in a particular subject.

Someone may have taken something of yours and not returned it.

It is important that you feel able to share concerns such as these with us so that where necessary we can work together to sort out misunderstanding or to take remedial action.

Informal help

If you have a concern, you should first talk informally to:

Your Housemaster or
Your House Tutor or
One of your subject teachers or
Any teacher you trust or
A School Matron

If for any reason you do not feel able to share your concern with a member of staff, then you may consider discussing it with one of the Peer Supporters whose names can be found in the School List and on House boards. Some matters of concern to you may cause the person with whom you have talked anxiety that you may be in a vulnerable situation or that you are being hurt in some way. If so, these concerns will need to be shared with another professional to ensure your safety and well-being. Please be assured that this will be managed sensitively, keeping you informed of all actions or plans.

IF YOU HAVE A CONCERN

You may of course share your anxiety in confidence with the School Counsellor, Mr Dermot Reilly, who comes to School each week and can also be contacted Monday to Friday on 020 7963 1099 (office) or after hours on 020 7732 3799. You could also talk in confidence to

*The Chaplain, The Reverend Gavin Williams, on 020 7963 1128, or
The School Doctor, Dr Joanna Hayes or
Kidscape - telephone number 0207 730 3300 or
Childline - telephone number 0800 1111 (calls are free)*

Formal help

If after trying to resolve your concern in this way you are still feeling unhappy, or if for any reason you do not feel that this route is appropriate, then you should ask formally for help. It is often useful to you and to us for you to clarify your thoughts by putting them in writing. This must be signed; as it is not possible to respond to anonymous information. We therefore suggest that you do this and give it to either:

*Your Housemaster or
The Under Master,*

who will then discuss the matter with you. If that action fails to sort things out, then you may pass your written summary to the Head Master. Alternatively, you may prefer to contact the Head Master immediately on 020 7963 1042, rather than getting in touch with others first. A meeting will be arranged to discuss your concern and try to work out a solution. You will probably find it helpful to come to that meeting with someone who understands how you feel, such as your parents, a friend or a trusted member of staff. You can also call Westminster Children's Services Department on 020 7641 7668.

We assure you that once your concern is shared with the School every effort will be made to work with you to sort it out swiftly and sensitively.

If you believe that, for whatever reason, your concerns have not been dealt with satisfactorily, you should ask your parents to follow the complaints procedure.

Being sent an abusive or threatening text message, or seeing nasty comments about yourself on a website can be really upsetting. This code gives you seven important tips to protect yourself and your friends from getting caught up in cyberbullying and advice on to how to report it when it does happen.

1 Always respect others

Remember that when you send a message to someone you cannot see the impact that your words or images may have on the other person. That is why it is important to always show respect to people and be careful what you say online or what images you send. What you think is a joke may really hurt someone else. Always ask permission before you take a photo of someone. If you receive a rude or nasty message or picture about someone else, do not forward it. You could be assisting a bully, and even be accused of cyberbullying yourself. You could also be breaking the law.

2 Think before you send

It is important to think before you send any images or text about yourself or someone else by email or mobile phone, or before you post information on a website. Remember that what you send can be made public very quickly and could stay online forever. Do you really want your teacher or future employer to see that photo?

3 Treat your password like your toothbrush

Don't let anyone know your passwords. It is a good idea to change them on a regular basis. Choosing hard-to-guess passwords with symbols or numbers will help stop people hacking into your account and pretending to be you. Remember to only give your mobile number or personal website address to trusted friends.

4 Block the Bully

Most responsible websites and services allow you to block or report someone who is behaving badly. Make use of these features, they are there for a reason!

5 Don't retaliate or reply!

Replying to bullying messages, particularly in anger, is just what the bully wants.

6 Save the evidence

Learn how to keep records of offending messages, pictures or online conversations. These will help you demonstrate to others what is happening, and can be used by your school, internet service provider, mobile phone company, or even the police, to investigate the cyberbullying.

7 Make sure you tell

You have a right not to be harassed and bullied online. There are people that can help:

Tell an adult you trust, who can help you to report it to the right place, or call a helpline like ChildLine on 0800 1111 in confidence.

Tell the provider of the service you have been bullied on (e.g. your mobile phone operator or social network provider). Check their websites to see where to report.

Tell your school. Your teacher or the anti-bullying co-ordinator at your school can support you and can discipline the person bullying you.

8 Don't just stand there - if you see cyberbullying going on, support the victim and report the bullying. How would you feel if no-one stood up for you?

The General Regulations exist to promote the values which underpin a Westminster education; to foster the sense of personal integrity, responsibility and mutual respect that is expected of all pupils; to nurture the appropriate exercise of rights and the constructive fulfilment of responsibilities as both increase during a pupil's time at the School; and to ensure that the School provides an environment conducive to good education and the development of a responsible sense of independence within the wider community.

All pupils are bound by the General Regulations by virtue of their parents' or guardians' acceptance of the Standard Terms and Conditions. With the exception of the Regulation on Drugs, which applies to pupils at all times whilst they are members of the School, the General Regulations apply to day pupils from the time that they leave home to go to School or any School activity until they have returned home, and to boarders at all times other than periods at home such as weekends and Exeats.

Whenever the General Regulations apply, pupils must also abide by the other School notices and policies, which can be accessed via the School Intranet, including the Dress Regulations, the Notice on Bounds, the Notice on College Garden; the Policy on the Acceptable Use of the Computer Network, the Policy on Alcohol, the Anti-Bullying Policy, the Child Protection (Safeguarding) Policy, the Policy on Electronic Pupil Registration, the Policy on Drugs, and the Policy on Smoking. Pupils must additionally abide by the laws of the land at all times.

Breaches of the General Regulations and other lapses of behaviour will be punished in accordance with the Policy on Behaviour, Rewards and Sanctions and, where appropriate, the Policy on Exclusion.

1 Drugs: Pupils are forbidden from supplying, possessing or using controlled drugs or other products, whether legal or illegal, that generate an intoxicating or hallucinating effect. Anyone supplying drugs to others must expect to be permanently excluded; whatever the academic consequences. Anyone possessing or using drugs must expect to be permanently excluded.

2 Sexual/Personal Relations: Sexual relations between pupils whilst at School are forbidden and may lead to exclusion. Public displays of affection should be kept to a minimum.

3 Alcohol: Unless they are under the supervision of a member of staff who has secured the prior agreement of the Under Master, pupils are forbidden from purchasing, possessing or consuming alcohol, going to public houses, and associating with anyone so doing, any pupil breaching these rules should expect to be gated. Any pupil who brings alcohol into school should expect to be temporarily excluded.

4 Smoking: Pupils are forbidden from possessing or smoking cigarettes or tobacco, and from associating with anyone so doing. Pupils smoking in school buildings should expect to be temporarily excluded.

5 Plagiarism / Cheating: Plagiarism and all forms of cheating are forbidden.

6 Computers and other electronic, mobile or digital devices: Accessing, or attempting to access, an account or files other than the user's own; sending anonymous e-mails, posting or viewing obscene or offensive photographs, videos or information on the internet; use of a computer or network for purposes of bullying or plagiarism; tampering with hardware or the network; and any other online or computer-based activity likely to bring the School into disrepute are all forbidden. Pupils may not bring into School laptops, mobile phones or any other electronic equipment or storage devices containing obscene or offensive material.

7 Gambling: All forms of gambling (including via the internet) are forbidden.

8 Punctuality: Pupils are expected to arrive at School and at all commitments in good time.

9 Bounds / Precincts: The bounds, as specifically defined in the relevant Notice, broadly include the Westminster and Victoria areas; however *Lewisham Street and the Peabody Estate are out of bounds to pupils*. The precincts include all School buildings, Dean's Yard, Little Dean's Yard, the Abbey, and the routes to School buildings within the bounds. During the School day, members of the Lower School may not leave the precincts; members of the Sixth Form may only leave the precincts during Lunch and members of the Remove may only leave the precincts during Break, Lunch and their Private Study Periods, but not during the John Locke Period. *All pupils must attend School Lunch*. During Private Study Periods (PSs), all pupils who are in School must either be up House, up Library, up computer rooms, or up music practice rooms. After the School day has ended, Lower School boarders are allowed out of the precincts, but must remain within the bounds and be back in School for Supper by 6.00pm. Upper School boarders are allowed out of precincts but must remain within the bounds, and must be back in School in time for supper at 6.30pm. *All boarders must attend School Supper*. Members of the Remove may leave the precincts but remain within the bounds between 9.00 and 10.00pm but only with the permission of their Housemaster. In the Lent and Election terms, members of the Sixth Form may leave the precincts but remain in the bounds between 9.00 and 10.00pm, but again only with the permission of their Housemaster. Otherwise, pupils must either be accompanied by a member of staff or have a chit from their Housemaster if they wish to be allowed out of the precincts or the bounds at a time when they would not normally be able to be so.

10 Boarders' study bedrooms: Purcell's and the girls' corridors and rooms up Busby's and Liddell's are out of bounds to boys at all times. Boys' study-bedrooms are out of bounds to girls at all times.

11 Yard: Pupils in Yard are expected to be sensible and considerate at all times. Pupils may not loiter in Yard during lessons. Basketball is the only ball game to be played in Yard during morning break.

12 Green: Pupils are forbidden from using Green during lessons unless they are accompanied by a member of staff. Ball games may only be played on Green by pupils wearing trainers and so long as the surface is playable, as indicated by the presence of a green disc on the relevant side of the central tree. Pupils may not use Green as a shortcut, nor congregate there during PSs.

13 Climbing: Climbing into, onto or out of buildings is forbidden.

14 Bicycles / motor vehicles: Pupils who wish to cycle to School and/or to Station must give their Housemaster a written consent form signed by their parents, which includes the undertaking that a cycling helmet will be worn at all times. Driving a motor car, unless accompanied by a parent or guardian, and driving any other kind of motor vehicle is forbidden – including on Saturday mornings.

15 Dress: School dress, as defined in the Dress Regulations, must be worn tidily to lessons, Abbey, Latin Prayers, Assemblies and Lunch; for examinations; for visits of a formal nature; and for any other occasions as the Head Master shall decide. Shag may be worn at times when School dress is not required, but must be appropriate. School dress must not be worn with informal clothes.

16 Identification: Pupils are forbidden from supplying, procuring, possessing or using any form of identification that misrepresents the intended bearer's age or other personal details.

17 Musical instruments, hi-fi systems and other electrical equipment: Pupils are forbidden from playing musical instruments and hi-fi systems so loudly as to inconvenience others; and from playing these during lessons or between 10.00 pm and 7.30 am, except during the course of authorised instrumental practice. Electrical appliances which are brought to School must be safe and meet all necessary legal requirements.

The Under Master
March 2011

General

Pupils must wear clean, tidy School Dress at all times during the working day and when travelling to and from school, as well as for formal visits (e.g. away matches, public lectures) and for such occasions as the Head Master shall from time to time indicate. Boarders may change into informal clothes (which should be neither untidy nor ostentatious, nor worn in combination with School Dress) after 4.10pm on Monday, Wednesday and Friday and after 1pm on Tuesday, Thursday and Saturday.

Boys

School Dress for boys consists of a two-piece dark grey suit obtained from the School Store, worn with a white shirt and a blue or black or Colours tie. Shoes should be normal black leather; they should not be trainers nor carry coloured decoration or logos. Socks should be plain grey or black. School Monitors may wear coloured sweaters or waistcoats. Other pupils may wear black, dark grey or navy blue plain knitted sweaters of the type supplied by the School Store with (but not in place of) a school suit jacket. Cardigans, jumpers with logos and hooded tops may not be worn.

Girls

School Dress for girls consists of a trouser or knee-length skirt suit in plain black, navy or dark grey. This should be worn with a white or plain coloured shirt with a collar; pink shirts are reserved for those who have been awarded School Colours. Shoes should be smart and robust; they may be black or navy. Tights should be plain; they may be neutral, black or navy. In cold weather, a plain dark grey, navy or black sweater may also be worn. School Monitors may wear coloured sweaters.

Accessories

Coats should be plain black, dark grey or navy blue; they may not be made of leather or denim and may not be worn to Abbey or in lessons. Scarves should be plain black, dark grey or navy blue. Hats, caps and non-School scarves may not be worn with School Dress. Hair for all pupils should be of a single natural colour and be of a sensible style. Boys are not permitted to wear jewellery, including earrings or studs. Girls' jewellery should be minimal, and piercings may only be worn in the lobes of the ear, with no more than one earring per ear. Any make-up should be discreet.

Station kit should be that which is available from the School Store, and appropriate to the particular activity.

Dr M S Spurr
July 2010

The Code of Conduct seeks to enshrine, very broadly, the kinds of behaviour which members of the School community believe are appropriate and desirable in order to foster a safe, positive environment.

All members of the School community are therefore expected to:

Promote a safe and healthy environment:

Show good manners to members, guests and neighbours of the School.

Show regard for legitimate authority and for individual privacy and sensitivity.

Show a proper appreciation of risk, both with regard to yourself and to others.

Avoid bad, offensive or discriminatory language (including any kind of racist, sexist or homophobic remarks) and any behaviour which might cause offence.

Follow and support the School's anti-bullying policy, and report any abuses.

Show respect and compassion for others:

Respect difference and diversity of individuals, institutions and faiths.

Respect the property of others; look after the fabric and property of the School.

Respect our shared working and living environment by avoiding undue noise, litter or other disruptive behaviour.

Make a positive contribution to the community:

Take pride in membership of the School and be its ambassador at all times.

Be self-disciplined and committed; dress tidily at all times.

Be trustworthy, honest and punctual in all your dealings.

Support activities to help the wider community outside School.

Enjoy and achieve, and help others to do so:

Take responsibility for your own learning and academic progress.

Help promote a positive learning atmosphere in the classroom and elsewhere.

Fully participate in extra-curricular activities; value effort and achievement.

Prepare for life after School by developing good work habits and social skills.

Contingency Plan in Case of a Terrorist or other Major Incident

A Short Brief for Teachers and Pupils

1 In the event of a major incident a Crisis Management Group will be formed immediately (see policy document for further details). This team will endeavour to coordinate all actions. In usual circumstances this will meet in the Head Master's Drawing Room. In case of evacuation other sites and telephone numbers will be issued.

2 At all times teachers should stay with pupils. Pupils should not be dispersed without a direction to do so from the CMG. Nor should any other response be put into action without consultation with the CMG.

3 Following an incident which directly affects the members of the School, the usual emergency evacuation procedure should be put into effect and pupils gathered at muster points, and teachers stay with them. A line of communication should be set up with the CMG (if telephones are in operation: HM 020 7963 1042, UM 07876 535250, SM 07957 887840). Then further response will be as directed.

4 If there is a terrorist threat, rather than action, stay put, set up a line of communication with the CMG. Evacuate and muster only if directed.

5 If a group is at Station or other venue on a School visit and there is a terrorist threat, stay put at the venue, and try to establish a line of communication with the CMG, Head Master or the Under Master. Do not disperse until directed by the CMG.

6 If the whole School needs to be evacuated the CMG will organise lines of communication to direct the operation. At all times teachers must stay with their classes. However Housemasters may transfer responsibility to another member of staff if they are needed to check the evacuation of their Houses.

7 Parallel response applies to the non-academic staff. If evacuation is necessary that would be directed by Bursar, who would be in communication with the Head Master.

8 The first response in all circumstances is to stay put, stay with the teacher at all times, evacuate only if directed by the teacher.

MEDICAL CARE OF PUPILS

If you are feeling unwell

The School Nursing Sister is based up Surgery, which is up Grant's (follow the signs). The telephone no. is 020 7963 1101. Pupils may see Sister during the Surgery opening times, Monday to Friday:

(1) 8.30 - 9.30; (2) Morning break
(3) 12.00 - 2.00; (4) 4.15 - 5.00

In the case of genuine emergencies, they may also see her at any other time. (If she is unavailable, the Duty Matron should be telephoned on 07909 996159.)

Otherwise, pupils in Boarding Houses (whether day pupils or boarders) should see their Matron in the first instance. Pupils in Day Houses should see the Duty Matron (list below.) The Matron will treat the pupil herself if possible, or refer the pupil to the Surgery if necessary.

Monday	Busby's
Tuesday	Grant's
Wednesday	College
Thursday	Liddell's
Friday	Rigaud's

Summary: pupils should not go directly up surgery, other than during the designated surgery opening hours, or in an emergency, or if they wish to speak to the School Nursing Sister about something that is worrying them.

LOs and Late LOs

Pupils who want an LO for Station should see their Matron or Housemaster first thing in the morning. (Day pupils should bring along a letter or email from their parents.)

If the illness/injury develops during the morning, then pupils must go and see the School Nursing Sister at break or at 1.15pm (not later, please).

Evenings and weekends

In the evenings, boarders should see their own Matron, who will get in touch with the Duty Matron as necessary (also available on 07770 740507).

At weekends, please see the Weekend Duty Matron as published in the Diary section of the Almanack.
